Areas of Practice

Annie Lee is a business attorney who focuses her practice on mergers and acquisitions, securities, corporate finance and corporate governance. She regularly provides assistance on questions of general corporate law, including such matters as corporate formation, structure, capitalization and compliance, mergers and acquisitions, contract negotiation and various regulatory matters. Annie is experienced in drafting and negotiating commercial contracts, including warranties. She also regularly represents emerging companies, guiding them through structure and formation issues, initial financing and other early-stage transactional matters.
