Winchester Gold Corporation, et al. v. American Mining Co., et al.

Case No. 88-202289-0 | Spokane County District Court

Defended corporate managing partner, directors, and officers of limited partnership comprised of public mining companies in \$2.5 million suit in Spokane. Individual clients were founders of Pegasus Gold Company. After a year of litigation, negotiated settlement of claims for about \$800,000. Plaintiffs had alleged securities and management fraud, diversion of partnership funds, usurpation of opportunities and interest in \$90M transaction for world's largest copper/nickel deposit.
