Oliver v. Spokane County Fire Dist. 9*

| U.S. District Court, Eastern District of Washington

Obtained summary judgment dismissal in favor of a fire district in an employment law matter. The plaintiff claimed that he had been passed over for a promotion because of his age and his involvement in the local firefighters' union. The client demonstrated that its treatment of the plaintiff was as a result of legitimate non-discriminatory reasons and the federal court dismissed the plaintiff's claims.
