Right-to-Die Issues in Senior Care and Housing

[LeadingAge Oregon | Redmond, Oregon](#)

Gabriela Sanchez will co-present “Right-to-Die Issues in Senior Care and Housing” at the LeadingAge Oregon Annual Conference on Tuesday, May 17. During the presentation, Sanchez will discuss the National right-to-die movement; compare three state right-to-die laws (Washington, Oregon and California) and consider what they say (and don’t say) about the right to die in different senior care settings; and help members consider their approach not only to death with dignity issues, but to the full range of end-of-life planning. The event will take place May 15-18 at the Eagle Crest Resort in Redmond, Oregon.
