# From the Ground Up, Taking Rural Ideas to Urban Landscapes: Oregon Benefit Corporations — Merging Profit and Public Benefit

[University of Oregon | Eugene, Oregon](#)

Lane Powell Shareholder Jeff Wolfstone will serve as a panelist at the University of Oregon's Green Business Symposium on Friday, February 2, at 10:30 a.m. The panel will discuss "From the Ground Up, Taking Rural Ideas to Urban Landscapes: Oregon Benefit Corporations — Merging Profit and Public Benefit." The discussion will be geared towards community members interested in starting small businesses that benefit the public. Wolfstone will discuss the legal issues and framework of forming a benefit corporation. The presentation will take place at the Ford Alumni Center and Jaqua Academic Center in Eugene, Oregon.
