The Anatomy of a Development Project From Acquisition to Zoning

[The Tigor Title School of Real Estate | Portland, Oregon](#)

Lane Powell Shareholders Mike Silvey and Jill Long will teach “The Anatomy of a Development Project from Acquisition to Zoning” on commercial real estate at Tigor Title in Portland, Oregon, on Friday, November 14. Silvey and Long will provide an overview of everything purchasers and developers need to be aware of during the lifespan of a development project. The Tigor Title School of Real Estate classes are designed to answer current practical and everyday challenges encountered by brokers.
