## Swanson Wins IP/Trademarks Lexology Client Choice Award

### Awards & Honors

Paul Swanson is the exclusive winner in Washington State in Lexology's 2017 Client Choice Awards in the Intellectual Property – Trademarks category. Swanson received his award at a gala award dinner held on February 2 in London.

Unlike other awards, nominations for the Client Choice Awards can only be made by corporate counsel. According to Client Choice, the research team found Swanson to be “a worthy winner based on excellent reviews” from his clients.

The Client Choice Awards were established in 2005 to recognize the law firms and partners around the world that stand apart for the excellent client care they provide and the quality of their service. The criteria for this recognition focuses on an ability to add real value to clients' business above and beyond the other players in the market.
