Nominating and Governance Roundtable

[National Association of Corporate Directors Northwest Chapter | Seattle](#)

Jeff Bird will moderate the National Association of Corporate Directors Northwest Chapter's Nominating and Governance Roundtable alongside Elizabeth Bastoni on Tuesday, April 10. The roundtable will explore how boards and nominating committees can more effectively engage with management to place company culture on the agenda, ensure that it supports business strategy, and preserve the boundary between governance and management. The event is open to NACD members and will take place in Lane Powell's Seattle office from 8-10 a.m.
