# Cybersecurity and the CFO

[Financial Executives International | Portland, Oregon](#)

Jeff Bird and Darin Sands will co-present “Cybersecurity and the CFO: Practical Advice for the CFO on Improving Cybersecurity and Understanding the Risks” at Financial Executives International Portland Chapter Meeting on Thursday, April 19 from 5-6 p.m. Bird and Sands will provide practical guidance on how midsize companies can address cybersecurity risks and improve protection against such threats. They will also discuss the Board’s role in providing oversight of cybersecurity risk and the C-Suite’s responsibility to educate and drive the discussion on cybersecurity. The event will take place from 5-8 p.m. at the Multnomah Athletic Club in Portland, Oregon.
