Driving Force Annual Conference

[Driving Force Auto Dealer Consulting Group | Moran, Wyoming](#)

Cliff Spencer will speak at the annual Driving Force Conference on Monday, June 25. Driving Force is a national network of CPA and consulting firms that collaborate to provide financial accounting, tax and business advisory related services to vehicle dealers, including auto, motorcycles and powersports (snowmobiles and ATVs). Spencer will provide guidance on:

- The current state of the market and its trends, and what that means for dealers/clients looking to transition business assets in the next 2-3 years,
- When an unprecedented change in dealer ownership is expected,
- The manufacturer control of its dealer network and how that likely will affect buyers and sellers, and
- The basics of an automotive buy/sell and how accountants can assist clients to maximize dealership value.

The conference will take place June 24-26 at the Jackson Lake Lodge in Grand Teton National Park, Moran, Wyoming.
