Washington State Bar Association Law and Practice Refresher Seminar | Seattle

Gail Mautner and Preet Kaur will present “Recent Changes in Estate Planning” at the Washington State Bar Association’s (WSBA) Law and Practice Refresher Seminar on Friday, March 8. This special two-day seminar, originally designed as part of the WSBA Readmission Course, is now offered to all interested attorneys and other legal professionals. The content has been vetted as the essential information that an attorney practicing in Washington today must know. Topics include: Indian law and tribal sovereignty, family law, rules of evidence, inadvertent disclosure of electronic information and more. The event will take place March 7-8 at the WSBA Conference Center in Seattle.
