American Health Lawyers Association | Phoenix, Arizona

Barb Duffy will serve as Program Co-Chair of the American Health Lawyers Association Long Term Care and the Law Conference in Phoenix from February 27 – March 1.

Additionally, Joe Greenman will present "Will CMS Turn Down the Volume? Patient Driven Payment Model (PDPM) and the Effort to Replace RUGS" twice during the conference, once on Thursday, February 28 from 9:45 to 10:45 a.m. and again on Friday, March 1 from noon to 1 p.m. Greenman's session, which includes a substantive narrative article, discusses the recently published final federal rule enacting replacement of the Medicare reimbursement system for Skilled Nursing Facilities.

The conference will be an exciting and informative meeting with in-house and outside lawyers presenting on legal, compliance and operational issues faced by providers. All sessions focus on cutting edge issues, and the conference will also include an individual educational track for nursing facility, assisted living and home health attorneys and providers.
