Boeing 737 Max Grounding and LEAP- 1B Early Removal: Legal Issues

[Bird & Bird Aviation, Space & Defense Conference | Paris](#)

Dave Schoeggl will serve as a panelist discussing “Boeing 737 Max Grounding and LEAP-1B Early Removal: Legal Issues” at a workshop preceding Bird & Bird’s Aviation, Space & Defense Conference on Tuesday, June 18. The panelists will discuss Boeing issues, lease and finance issues, and supply chain issues in the grounding of the 737 Max. The workshop will take place from 2:30-4:30 p.m. at Bird & Bird’s office; the remainder of the event will take place from 5:30-9:30 p.m. at the House of Alsace in Paris, France. The conference is in conjunction with the Paris Air Show, the biggest event in the world for commercial jets.
