Forbes Lists Lane Powell Among America's Top Trusted Corporate Law Firms

Awards & Honors

Forbes recently recognized Lane Powell as one of “America’s Top Trusted Corporate Law Firms” in its inaugural list. The firm was selected based on an independent survey from a large sample of lawyers, both at law firms and in-house at companies. Out of the thousands of corporate law firms in the U.S., only 243 were selected for inclusion on the list. This recognition serves to reinforce Lane Powell's reputation as a law firm with top legal talent and a commitment to excellent client service.
