# Greenman Appointed to Oregon Business & Industry Health Care Committee

## Awards & Honors

Joe Greenman has been appointed to Oregon Business & Industry's (OBI) Health Care Committee. The committee includes some of the most knowledgeable stakeholders in the health industry to discuss the many challenges to Oregon's health care delivery system. The committee also evaluates and develops legislative proposals that will help employers and Oregonians to afford quality health care in the future. OBI's health care policy committee works to identify issues affecting the three most important principles of health care: quality, access and affordability.
