Nate

Nate Koppelman
Director of Business Operations & Pricing

Seattle
D 206.223.7937
koppelman@lanepowell.com

Nate Koppelman leads Lane Powell's Business Operations & Pricing Team. He promotes best practices and operational efficiencies, supports strategic growth, and forms creative pricing solutions to strengthen robust partnerships with our clients.

Nate specializes in the design and implementation of processes and technology that reduce risk and maximize value. He works closely with relationship attorneys and clients to understand and define success.

His background in legal operations helps him connect our attorneys with the people and teams across the firm to most effectively achieve their operational goals. Through partnership and iterative improvement, Nate brings a collaborative mentality to problem solving.

As a strategic thinker and experienced team leader, he plays a critical role in advancing Lane Powell's longstanding commitment to excellence.
