

Media Inquiries

There is a pervasive intelligence throughout the hallways of Lane Powell. Our people have the wherewithal to counsel our clients not just from a legal standpoint, but as a trusted advocate serving as strategic business and industry advisors. We approach complex industry issues and legislative changes with calm sophistication and experienced thought leadership.

News outlets around the globe turn to people at Lane Powell to glean insight and soundbites related to some of the hottest news of the day. Regardless of whether the topic at hand is related to immigration issues, changing wage and hour laws, or legal developments related to tax, the people of Lane Powell are highly sought for their incisive insights and situational awareness in highly volatile and rapidly changing landscapes.

Written Pieces by Lane Powell Attorneys

If you are a member of a media outlet and would like to engage with an attorney to provide thought leadership in the form of a written publication, article or blog piece, please send a message [here](#).
